

**TNI Policy Committee Meeting Summary
Friday, March 17, 2017**

1. Welcome, Roll Call and Announcements

The meeting was called to order by Patsy at 11:00 am Eastern. Attendance is recorded in Attachment 1. There were no comments on the March 3 minutes.

2. Review of Draft Policy Committee Internal Audit Checklist

As participants reviewed the items on the draft checklist, Ilona captured the specific concerns that might require edits. During the discussion, it became obvious that the checklist items causing concern were taken directly from existing final versions of SOPs and Policies, and in the case of committee charters, from the TNI QMP. In a few cases, concerns were caused by unfamiliarity with particular SOPs or Policies and their implementing processes, but often the documents simply have not kept pace with the organization's evolution. Particular documents noted for review were SOPs 1-104, 1-105, 1-106, 1-118 and POL 1-109.

3. Future Meetings

Policy Committee will meet again on April 7, 2017, at 11 am Eastern. An agenda and documents will be circulated in advance of the meeting.

Action Items are included in Attachment B and Attachment C includes a listing of reminders.

Attachment C

Backburner / Reminders – TNI Policy Committee

	Item	Meeting Reference	Comments
1.	Look into need to include something about review schedule in all SOPs	3/20/12	
8	When the CSDEC charter is next updated, it should clarify which committees have added stakeholder categories and note that Board approval is required and was obtained for including those additional representatives in the committee(s)	2/21/14	Address with revision of Charter format
11	Create SOP for document review of Policy committee documents (which will automatically require Board review)	10/17/14	Grew out of streamlining the approval process for SOPs and Policies
12	Revise how TNI refers to its own training courses, prepared and presented to train individuals for the accreditation and peer review (evaluation) processes. Typically, these are courses required in order to perform a specific function, yet are not referred to as a credential, per se, but are designed and presented under contract to TNI and thus implicitly endorsed by the organization	1/23/15	From discussion about language used in SOP 5-101 (TNI-recognized training) versus usage elsewhere as just “TNI training” (e.g., NELAP Evaluation SOP 3-102)
15	Updates to Committee Chair training materials should include QMP when adopted as well as the need to specify decision rules (per SOPs 1-101 and 1-102)	3/4/16	Consider possibly specifying a default decision rule in one of the SOPs, or in committee charters. NOTE: NELAP AC has a voting SOP that declares decision rules for different types of issues
16	When internal audit checklists are posted to the website, be sure to add a disclaimer that those will be uncontrolled and may not be the latest version	5/9/16	Internal audit database will NOT be publicly available.
17	Review Ethics and Corporate Governance documents (as removed from the QMP) for possible updates	6/3/16	
18	Develop new policy about implementation dates for SOPs, based on recent decisions affirming the practice of completing activities underway with the former revision but newly initiated activities with the most recently approved version, as was done with the Standards Development SOP 2-100 and agreed upon with the NELAP Evaluation SOP 3-102	7/8/16	
19	Ensure that “ASAP” gets replaced with definite length of time during the next revision of the NELAP Evaluation SOP 3-102	11/4/16	

20	Develop and document a process to ensure that the latest versions of all TNI documents are promptly posted to the TNI website, with some method of notifying committee chairs (or those who sign up for updates about documents, which would need to be mandated for committee chairs and staff.) See also #11, above.	11/4/16	
21	Develop a procedure is needed for all committees, about creating charters and annual work plans	11/18/16	
22	Review SOP 4-102 (and likely others) once the CSDEC glossary is finalized	12/2/16	
23	Review various tracking formats used by committee work plans and settle on a standardized version	1/6/17	Best timing is probably along with outcomes of committee self-audits? Fall/winter 2017-2018
24	Modify appropriate committee SOPs (1-101 and 2-101) to indicate that telephone numbers NOT be included on committee rosters made publicly available	1/6/17	One complainant indicated that phone number was found in committee minutes by someone they were trying to avoid.
25	Document mechanism for updating internal audit checklists annually, prior to call for completion of committee internal audits	2/3/17	
26	When CSDEC's glossary is ready, all TNI documents incorporating definitions should be reviewed to see if replacing individual definitions with a reference to the glossary is appropriate	2/24/17	Discussion while reviewing SOP 2-103
