

# The NELAC Institute

**Assessment Forum  
New TNI Standards  
August, 2008**

## Bob Di Rienzo

Quality Systems Expert Committee Chair  
DataChem Laboratories, Inc.

## Paul Junio

Quality Systems Expert Committee Chair Elect  
TestAmerica Laboratories, Inc.

# Quality Systems Expert Committee Activities

The TNI Quality Systems Expert Committee is involved with the implementation process.

The LASC, NELAC BOD and Technical Committee will ask for implementation guidance documents.

The Quality Systems Expert Committee has been busy with a crosswalk document to the NELAC 2003 Checklist.

# Quality Systems Standards Improvements

- Module Concept
- ISO/IEC 17025:2005 Structure
  - Placement of additional NELAC Requirements
  - Redundant language removed
- Clarifications
  - M5 1.7.5.b)
  - M2 4.2.8.3
  - M2 4.2.8.4

# Quality Systems Standards Improvements

- Technical Modules Structure
  - Same structure in all technical modules
- Demonstration of Capability (DOC)
  - Technical Modules section 1.6
    - General Requirements
    - Initial DOC
    - Ongoing DOC

# Quality Systems NELAC 2003 Checklist

- Checklist
  - Language is still NELAC 2003
  - TNI References were added
  - Next Step is a new checklist with TNI Language
  - Available
