1.0 Purpose and Applicability

This policy describes the process for allowing access to Powerpoint presentations covering various TNI topics such as organizational structure and governance, standards development, and benefits of laboratory accreditation.

2.0 Powerpoint Library

The TNI Executive Director or his representative will maintain a Powerpoint library on the TNI website with secure URL , or other secure location, accessible by TNI staff, Board, Advocacy Committee, committee chairs, and other individuals designated by the Executive Director.

3.0 Rules for Use

It is the desire of the TNI Board to make TNI presentations as accessible as possible but with some control on use. Persons interested in providing a presentation may download presentation and modify as needed. The individual must inform Executive Director of presentation (when, where, what group, topic). If the presentation is modified in any way, the user must provide a copy of presentation to Executive Director before presenting.
