I. PURPOSE AND APPLICABILITY

This policy applies to all TNI programs, their boards, committees, and subcommittees. TNI programs may augment this policy with additional provisions, but may not supersede any part of it.

II. DEFINITIONS

IV. POLICY STATEMENT

TNI activities and services shall be administered and offered in an impartial and objective manner, uninfluenced by the private interests of individuals acting for or on behalf of TNI. Therefore, all TNI members or any person acting on behalf of TNI shall not be involved in actions representing actual or apparent conflicts of interest without disclosure as described in this policy.

V. CONFLICT OF INTEREST DISCLOSURE

TNI members or those acting on behalf of TNI shall identify any actual or potential conflicts of interests according to procedures established by TNI and its programs. When a person has doubt as to whether a conflict of interest may exist, the person shall declare the presumed conflict so it can be properly evaluated.
Any TNI member or agent who undertakes any TNI activity for which an actual or potential conflict of interest exists without declaring such a conflict in advance is in violation of this policy and is subject to action specified by TNI conflicts of interest procedures.

VI. DETERMINATION THAT A CONFLICT OF INTEREST IS PRESENT

TNI programs shall develop procedures for evaluating claims of conflicts of interest. The Executive Committee of the TNI Board of Directors is the final evaluator of any disputes regarding a conflict of interest claim that has not been resolved by a program. The TNI Board of Directors may appoint a committee to review a conflict of interest claim in cases where the Executive Committee or a TNI Director is a direct party to the claim.
