Training Reminder

The revised training program has been completed. Committee member will be required to attend one of the scheduled webinar presentations. The initial presentation was made and recorded on 3/31/2021. All committee members will be advised of the link on the TNI website for attendance. Committee members are to advise Michelle and Bob of when their training was completed and records of said attendance will be maintained in committee files.

Response to Comments

The Response to Comments (R2C) document developed by the committee are embedded in the agenda. The committee began the May meeting with comment # 12 and continue through comment # 21. The comments were deemed as editorial or not. Editorial comments require changes to the standard but are more of clarifications than substantive changes. The committee will continue to review comments during the June meeting. Bob will add Paul Junio's comments to the R2C form for consideration during the June meeting.

A motion from Myron and a second from Maria was made to approve the determinations of persuasive and non-persuasive as developed by the committee during the May meeting and as presented below. The committee voted unanimously to approve the motion.
