

## **Field Activities Expert Committee (FAC)**

### **Meeting Summary September 18, 2018**

#### 1. Roll call:

Vice-Chair, Kevin Holbrooks, called the FAC meeting to order on September 18, 2018 at 11am Eastern by teleconference. Attendance is recorded in Attachment A – there were 4 members present. Associate Members: None.

Meeting minutes are sent to the committee by email. If no comments are received within one week of the email notification, they are considered approved and are posted on the TNI website.

#### 2. Update

Marlene did review Section 4 of the new ISO/IEC 17025:2017 format and inserted the 2014 TNI FSMO Standard language into it. She sent it to Kevin, Shannon and Ilona initially. Kevin will forward it to the Committee after the call. The old language is in blue and the ISO language from the new Standard is scripted. Kevin noted that he has heard from people that our Standard doesn't differentiate itself enough from the original ISO/IEC Standard to make the accreditation worth the expense. He expects that the committee will want to add more value added items to the TNI Standard without getting too proscriptive – kind of an ISO plus.

The goal is to have some sort of DRAFT of the new TNI Field Standards by the summer meeting in Jacksonville. The Committee will be working on the Standard in Milwaukee.

Elizabeth noted that she still needs to read through the new ISO/IEC Standards. Kevin commented that this something we should all be doing as we get started. Ilona previously sent this out to everyone.

Louisiana does accept NEFAP accreditation. It is not NELAP, but it is a State approval.

Ilona noted that on the more recent TNI Board of Directors call someone suggested that TNI stay with the current format. The Board will continue to discuss options as an agenda item during their October call. Everyone on the call today thinks NEFAP should move forward with the new format and implementation will be thoroughly discussed as the update is worked on.

Given the low attendance at the meeting, Kevin wrapped up the call early and will send out Marlene's DRAFT for review before the next meeting in October.

### 3. New Business

None.

### 4. Action Items

The table in Attachment C summarizes all action items. See notes on table.

### 5. Next Meeting

The next meeting will be on Monday, 10-1-18 by teleconference. *(Addition: Shannon had to cancel the October meeting and the next meeting was 11/5/18.)*

The meeting was adjourned at 11:33am Eastern.
