

**Laboratory Accreditation System Executive Committee
Meeting Minutes**

Monday, July 25, 2011, 12:00 EDT

Members Present: Ann Marie Allen, Carol Barrick, Roger Kenton, Judy Morgan, Julia Sudds

1. Minutes from the June 27, 2011 meeting were approved.
2. Roger Kenton reported from the Proficiency Test Expert Committee that plans are to go ahead with the new TNI standard through a phase-in process. Laboratories doing work in New York State will need to communicate with their Accreditation Body regarding the course of action they should take.

The PT Expert Committee plans to propose three or four options for scoring and/or reporting requirements for consideration at the Forum on Laboratory Accreditation in Bellevue, Washington.

3. There being no other business, the meeting was adjourned.
4. Next meeting: TBA
