# Policy Committee <br> Meeting Summary 

May 15, 2020

## 1. Roll Call:

Patsy Root, Chair, called the meeting to order at 11:02am Eastern on May 15, 2020 by teleconference. The meeting was attended by 6 Committee members - see Attachment A.

The May 1, 2020 minutes were distributed for review by email. A motion was made by Paul to approve the May 1, 2020 minutes as written. The motion was seconded by Silky and unanimously approved.
2. SOP 2-100: Procedures for Governing Standards Development

Paul gave some history on the SOP. The update is in response to the recent ANSI audit. There was a group of 8 people that developed the SOP and it went through extensive review by the CSDP EC. There is no track changes document to compare it to becausee of the extensive changes. Ilona did send a copy of the original SOP for reference.

Ilona reminded the group that the Policy Committee should be looking for conflicts with other TNI procedures and issues related to implementation.

Section 1.1 - Purpose - OK
Section 1.2 - Scope - OK
Section 1.3 - Related Documents -

- SOPs 3-105 and 5-106 need to move to References
- Check other related documents and make sure they were not specifically referenced in the SOP.

Section 1.4 - References - OK
Section 1.5 - Definitions
There are some new definitions, but they will be added to Glossary. The Glossary will be aligned to this SOP.

Section 1.6 - Normative Principles
Bob added this section and it appears to be an outline of what ANSI is looking for in this SOP.

Patsy is not sure this section is needed. Ilona commented that the section numbers that cover the items could be put in parentheses or perhaps this could be put into a Policy instead.

Section 1.7 - Maintenance of Procedures

- Not in the same section as many of our other SOPs. OK to leave.

Section 2.1 - Openness - OK
Section 2.2 - Lack of Dominance -

- Add Dominance into Definitions section. Refer to the definition in this section or delete it.
- Remove second sentence in Section 2.2.2.

Section 2.3 - Balance - OK
Section 3.1 - Meetings

- Second Paragraph Second Sentence - Delete because last sentence explains what closed meetings are and when a guest could not attend.

Section 3.2 - Notification of Meetings

- Remove "All" in third sentence. Same sentence add "typically" scheduled. Change "at" to "on". Consider generalizing this section.
- Silky noted that meetings are planned by different people. Should be two paragraphs because it is talking about different type of meetings.

Section 3.3 - Decorum

- Nondiscrimination statement. Is it in a document in the related documents? Should SOP or Policy be referenced here and then moved to References section of the SOP. A question was raised whether this first paragraph is needed. A reference document needs to go into detail on this and how it is handled. This section may be a response to ANSI?
- "Should be" could be changed to "provided". Should is not enforceable.
- Delete "Internal" in second paragraph.

Section 4 - Committee Operations

- Move SOP 2-101 to referenced documents instead of related.

Section 5.1 - Expert Committee Activities - OK.
Section 5.2 - Notification - First Step in the Development Process

- Add Standards Action to reference section.

Section 5.3 - Summary and Draft Standard

- Remove "subcommittee" because not relevant to expert committees. They use workgroups.

Section 5.3.1 -

- Remove "are gathered and".
- Add "as applicable" because documents may not exist for all committees.

The Committee will continue the review at the next meeting starting at Section 5.3.2.

## 3. Action Items

An Action Item Summary can be found in Attachment B. Ilona reviewed the new items added to the table.
4. New Business

None.
5. Next Meeting and Close

The next meeting will be held by teleconference on June 5, 2020 at 11:00am Eastern. The Committee will continue reviewing SOP 2-100 and maybe start reviewing SOP 6-100.

The meeting was adjourned at 12:32pm Eastern.
