1. Welcome, Roll Call and Announcements

The meeting was called to order by Patsy at 11:00 am Eastern. Attendance is recorded in Attachment 1.

2. Revising the Charter Format

Revisions to the Policy Charter, which will serve as a template for all committee charters, resumed with the third objective. Discussion of the full document was completed, and the current draft is contained in Attachment D, below.

Review and revision will continue at the next meeting, to include discussion of how to include an item about default decision rule for the committee, addressing SOP 1-02.

Participants also agreed that a procedure is needed for all committees, about creating charters and annual work plans, and that this should be developed after conference in Houston. The concept of using a spreadsheet to track the status of TNI’s SOPs and policies once they emerge from the committee draft stage was enthusiastically received, also.

3. Vote on NEFAP SIR SOP 5-106

This SOP was reviewed and approved (with only minor edits) at the April 3, 2015, meeting but since a quorum was lacking that day, the vote was postponed until the next meeting, but never got scheduled on the agenda. Participants noted that the edits still needed to be made, and the Program Administrator has been so informed; Mei Beth moved and Calista seconded to approve this SOP pending those minor edits, and the vote was unanimous to approve the NEFAP SIR SOP 5-106.

4. Review of NEFAP Nominating SOP 5-103

The NEFAP Program Administrator had asked that this SOP be reviewed now, despite an earlier decision (June 22, 2016) to hold it in abeyance until the Nongovernmental AB Workgroup completes its planning and proposal for restructuring TNI’s AB recognition programs. Participants noted that the current version of the SOP is considered “provisional” and thus is implementable by the originating committee, and declined to reverse its earlier decision to postpone final review and submission to the Board for endorsement.

5. Review of PTPEC Complaint SOP 4-102

The committee’s meeting time did not permit taking up this SOP, but it will be the first item for the December 2 meeting. Eric later provided a redline/strikeout comparison document showing changes from the previous version of this SOP, as the committee requested.

6. Future Meetings

Policy Committee will meet again on December 2 at 11 am Eastern. The committee will take up the PTPEC Complaint SOP 4-102 and then resume work on the revised Charter format and committee work plans.

Policy Committee will NOT meet later in December; the next meeting after December 2 will be January 6, 2017.
Action Items are included in Attachment B and Attachment C includes a listing of reminders.
