

## **Summary of SIR Subcommittee Meeting**

**February 27, 2018**

Present: Judy Morgan, Gale Warren, Carl Kircher, Lynn Bradley

### SIR #246

This SIR response was revised to include additional explanation in the comments section, and additional phrases in the response itself to better clarify the requirement. Participants agreed to post the response for vote, again, and also asked to encourage Quality Systems to clarify the language of the standard for its next revision.
