I. POLICY ON RECORDING DIRECT LABOR CHARGES

Reports reflecting the distribution of activity must be maintained for all staff members. Reports must meet the following standards:

- 1. The reports must reflect an *after-the-fact* determination of the actual activity of each employee.
- 2. Each report must account for the total activity for which staff are compensated and which is required in fulfillment of their obligations to the organization.
- 3. The reports must be signed by the individual staff person and contain a statement that the distribution of activity represents a reasonable estimate of the actual work performed by the person during the periods covered by the reports.
- 4. The reports must be prepared monthly.
