Policy NO.:	1-123
REVISION NO:	0.1
Program	Administration

Committee Approved Date:	9/6/2023
Policy Committee Reviewed Date:	10/20/2023
TNI Board of Directors Endorsed Date:	1/18/2023
SOP Effective Date:	9/6/2023

I. PURPOSE AND APPLICABILITY

This policy relates to information provided in printed materials or other means, provided at the Registration Desk, or other related locations, at TNI meetings, including the Forum on Laboratory Accreditation and the Environmental Measurement Symposium.

II. RULES FOR USE

Acceptable Materials:

- Informational literature from government agencies or major co-sponsors of meetings. Co-sponsors are organizations such as the Florida Society of Environmental Analysts and not vendors that sponsor a particular meeting.
- Informational literature from trade associations that have a direct interaction with environmental testing such as the American Council of Independent Laboratories, the Water Environment Federation, or the American Water Works Association.
- Information about TNI supported training courses.

Unacceptable Materials:

- Information from any laboratory, vendor, or consultant to the environmental testing industry. (This would include universities and non-profits such as Battelle or Southwest Research Institute (SWRI).)

III. EXCEPTIONS

This policy does not apply to literature provided in an exhibit area by a registered exhibitor. For any materials not covered above, the TNI Executive Director has the authority to act on behalf of TNI.
