SSAS Volume 1	2	All sections

Nature of the standard to be established or the change to the existing standard proposed:
 Pursuant to the NELAC Institute's SOP 2-100 on consensus standard development, notice is hereby given that the Stationary Source Audit Sample (SSAS) Expert Committee seeks to review and update Module 2 of Volume 1 of the SSAS Standard. (General Requirements for an Accreditor of Stationary Source Audit Sample Providers). Any person objecting and believing there is not a compelling need for the proposed modifications should contact the NELAC Institute Consensus Standards Development Program Administrator, ken.jackson@nelac-institute.org, within 30 days of this notice.

Justification or need for the standard or the change in the standard:
 The current version was finalized in 2009 and is in need of review and updating. Issues that have arisen in the operation of the program are requiring updates to this standard. Relationship with the PT Program Executive Committee will be more clearly defined.

How is the proposal an improvement over the existing standard:
 The update will address some issues that have arisen in the program and will also provide better clarification of program requirements. Relationship with the PT Program Executive Committee will be more clearly defined.

Any potential conflicts developed upon development of the standard or the proposed change to the standard?	No
---	----

Any potential obstacles to implementation by ABs?	No
